Bethlehem Neighbors is a 501 (c)(3) non-profit corporation whose members volunteer to assist other members with the challenges of aging in place. All donations are tax-deductible.

Why Join Bethlehem Neighbors?

Because we fill the gaps in current town services, we offer help like transportation, handyman help, running errands, pet care and more. We offer opportunities for socialization. Above all we strive to create a supportive community for our town residents to continue living in their own homes.

- We offer our own social events as well as coordinate with others.
- All of our own services are provided by volunteer members of Bethlehem Neighbors.
- We partner with existing community resources to help provide a full range of support.
- We want all of our members to feel that they are **home but not alone**.

If you would like to volunteer or if you feel you need help to continue living in your home, please join now.
